

BioSFerA Final Event Agenda (draft)

Hybrid event
Place: Brussels
Date: 20th March 2024

BioSFerA: setting the course for aviation and marine fuels for the transport of tomorrow

Time (CET)	Topic
9:00 – 9:15	Attendees' registration
9:15 – 9:30	Welcome Project Overview
9:30 – 10:15	Biomass and waste valorisation: innovative model for EU waste conversion Biological studies at lab scale: selection of bacteria and yeasts Gas & liquid fermentation processes: from TRL3 to TRL5 New efficient ways for TAGs extraction Q&A
10:15 – 10:30	Coffee Break
10:30 – 11:15	BioSFerA's scaling up for jet-fuel and marine diesel production Results of the syngas fermentation process TAGs hydroprocessing and final products characterization BioSFerA scale up and impact assessment towards commercialization Q&A
11:15 – 12:15	Biofuels market potential and EU energy transition Market potential for advanced biofuels BioSFerA added value and legacy Round table with EU R&I projects, EU and industry representatives Q&A
12:15 – 12:30	Wrap-up
12:30	Light lunch offered to the attendees
